

WELCOME

We want you to be able to relax and enjoy good food, drink and company in a unique setting. We are a bar, café and restaurant specialising in locally sourced freshly cooked produce.

When considering your order please be advised of the following:

As everything is freshly cooked to order there may be delay between servings. If in a large group it may be better to choose a selection of different options and share!

Whilst we do not have a specific children's menu, we are happy to adapt options, please ask and we will do all we can to accommodate your request.

Don't forget to check the 'Specials Board' for other seasonal options!

We have lots of Vegetarian (V), Gluten Free (GF), Vegan (VG) options. Just ask if unsure!

We run a table service but please also feel free to order via the counter!

WOODFIRED PIZZA 12"

Your pizza starts its life some time before you order when we make the fresh doughs! We then add our handmade tomato sauce base and your selected toppings before cooking the pizza in our extremely hot wood fired oven.

We have a varied selection of toppings on the menu from the humble Margherita, to our special spicy OFS Hot! As your pizza is made to order, you can have extra toppings, or select your own. The choice is yours!

We cook two pizzas at a time in the oven. With this in mind, if you have a large order we recommend you order pizza to share.

That way every pizza is piping hot on serving and you get to sample a variety, perhaps even something new!
